Introduction

On February 20, 2025, Kingsborough Atlas Tree Surgery, Inc. (the “Debtor”) filed for relief under chapter 11 of the United States Bankruptcy Code. This Disclosure Statement has been prepared by the Debtor in connection with its Plan of Reorganization proposed by it to comply with the provisions of the Bankruptcy Code that requires the submission of information necessary for creditors to arrive at an informed decision in exercising their rights to vote for acceptance or rejection of the Debtor’s Plan of Reorganization.

A. Creditors Allowed to Vote: Deadline

Creditors who wish to vote on the Plan should review this Disclosure Statement and the Plan, complete the enclosed ballot and return it to the Law Offices of Michael C. Fallon, 100 E Street, Suite 219, Santa Rosa, California 95404, on or before the date set for the return of ballots as provided in the order approving this disclosure statement. Creditors who hold allowed claims are entitled to vote to accept or reject the Plan. Ballots received by counsel after the date set forth above will not be counted in determining whether the Plan should be confirmed. Even though a creditor may choose to not vote or may vote against the Plan, all creditors will be bound by the terms of the Plan if the Plan is accepted by the requisite majority in each class of creditor and/or is confirmed by the Court. Creditors who fail to vote will not be counted in determining acceptance or rejection of the Plan. Allowance of a claim or interest for voting purposes does not necessarily mean the claim will be allowed or disallowed for purposes of distribution under the Plan. Any claim on which an objection has been or will be made will be allowed only for distribution after determination by the Court. Such determination may be made after the Plan is confirmed.

B. Confirmation of the Chapter 11 Plan

The Bankruptcy Court will hold a hearing in the courtroom of the Honorable William J. Lafferty, United States Bankruptcy Judge, 1300 Clay Street, Room 220, Oakland, CA 94612. (Video Conference) to determine whether the Plan has been accepted by the requisite number of creditors and whether the other requirements for confirmation of the Plan have been

1 satisfied. The date of the hearing is contained in the order approving this Disclosure Statement.

2 For the Plan to be deemed accepted by a class of creditors the Plan must be accepted by
3 creditors that hold at least two-thirds in dollar amount and more than one half in total number
4 of allowed claims within that class. For purposes of this calculation, only the claims of
5 creditors actually voting on the Plan will be counted. Under certain circumstances described in
6 11 U.S.C. §1129(b), the Court may confirm a plan notwithstanding the rejection thereof by
7 more than one third in amount or one half in number of creditors voting on the plan in any
8 given class. The Plan Proponent intends to seek confirmation under 11 U.S.C. §1129(b) in the
9 event any class of creditors rejects the Plan.

10 C. Lack of Objection to the Disclosure Statement

11 The lack of an objection to the Disclosure Statement by any creditor or equity holder
12 does not, and will not, operate as a waiver of the creditor's right to raise any objections to
13 confirmation of the Plan of Reorganization.

14 D. Representations in the Disclosure Statement

15 The Debtor is not able to warrant or represent that the information contained in this
16 Disclosure Statement is without error, although reasonable efforts have been made to insure
17 that the information contained herein is accurate, complete and free from error.

18 Except as otherwise noted all estimates and analysis with respect to the Debtor's assets,
19 claims against the Debtor's, property values, pending or anticipated litigation, are only the
20 Debtor's best estimates taken from the Debtor's Schedule of Assets and Liabilities, as well as
21 informal appraisals of the Debtor's assets. Debtor cannot warrant that actual values, results, and
22 recoveries will, in fact, be consistent with this Disclosure Statement.

23 Any description of the terms of the Debtor's Plan is a summary only, and you are
24 cautioned to review the terms of the Plan for significant details.

25 II.

26 Background

27 Debtor has been operating a tree surgery/landscape business since 1994. In June of
28 2023, Debtor entered an Asset Purchase Agreement ("APA") with Anvil builders and related

1 entities (“Anvil”) wherein Debtor intended to sell its tree surgery/landscape business to Anvil.
2 Debtor contends Anvil failed to perform under the APA and it was that breach that directly lead
3 Debtor to file this Chapter 11 on February 20, 2025.

4 On January 29, 2025, Debtor filed a civil action against Anvil in the Sonoma County
5 Superior Court, in and for the State of California, Case No. 25CV00751. The Complaint states
6 causes of action for (1) Breach of Contract; (2) Breach of the Implied Covenant of Good Faith
7 and Fair Dealing; (3) Unfair Competition; (4) Conversion; (5) Intentional Misrepresentation;
8 (6) Negligent Misrepresentation; (7) Conspiracy to Defraud; (8) Accounting; (9) Declaratory
9 Relief; and (10) Injunctive Relief. The Superior Court action has been removed to the
10 Bankruptcy Court.

11 III.

12 Classification of Claims and Interests

13 The following is a designation of the classes of claims and the class of interests provided
14 for in this Plan. Administrative claims, priority tax claims, and priority wages claims of the
15 kinds specified in Bankruptcy Code § 507(a)(2) and §507(a)(8) respectively, have not been
16 classified and are excluded from the following classes in accordance with the provisions of
17 §1123(a)(1) of the Bankruptcy Code. A claim or interest shall be deemed classified in a
18 different class to the extent that any remainder of the claim or interest qualifies within the
19 description of such different class. A claim is in a particular class only to the extent that the
20 claim is an Allowed Claim in that class:

21 Class 1 consists of the claim of Ally Financial (“Ally”) that is secured by a 2020 Ford F-
22 350 Super Duty Pickup VIN 1FT7W3BT9LEE07487 (the “Truck”).

23 Class 2 consists of the Allowed Claim of Caterpillar Financial

24 Class 3 consists of the Allowed Claim of Commercial Credit Group

25 Class 4 consists of the Allowed Claim of Celtic Bank

26 Class 5 consists of the Allowed Claim of Ford Motor Credit Company LLC

27 Class 6 consists of the Allowed Claim of Mitsubitshi-Hitachi Capital American

28 Class 7 consists of the Allowed Claim of Plumas Bank

1 Class 8 consists of the Allowed Claim of US Bank

2 Class 9 consists of the Allowed Claim of John Deere Financial

3 Class 10 consists of the Allowed Claim of SBA

4 Class 11 consists of the Disputed Claim of Anvil Builders

5 Class 13 consists of the equity interest of Richard and Cindy Kingsborough.

6 IV.

7 Treatment and Provision for Non-Classified Claims

8 Allowed Administrative Claims. Except to the extent that the holder of a particular
9 Administrative Claim has agreed to a different treatment of such Claim, each holder of an
10 allowed Administrative Claim shall be paid in cash, in full upon the later of (a) the Effective
11 Date, (b) if such Claim is initially a Disputed Claim, when it becomes an Allowed
12 Administrative Claim, and (c) if such Claim is incurred after the Petition Date in the ordinary
13 course of the Debtor's business by a person other than an insider, within such time as payment
14 is due pursuant to the terms giving rise to such Claim. Any request for allowance of an
15 Administrative Claim pursuant to Section 503(a) of the Bankruptcy Code (including an
16 estimation of expenses to be incurred after the Effective Date), other than by the Debtors's
17 Professionals, must be filed on or before the Administrative Claims Bar Date or the holder of
18 such Claim shall be forever barred from asserting such Claim or receiving any payment on
19 account of such Claim.

20 Tax Claims. The holders of allowed Claims entitled to priority under 11 U.S.C. §
21 507(a)(8) ("Allowed Tax Claims") will be paid in full as follows:

22 - Franchise Tax Board ("FTB"). Franchise Tax Board shall be paid in full on the
23 Effective Date.

24 - Employment Development Department ("EDD"). EDD shall be paid in full on the
25 Effective Date.

26 - Sonoma County Tax Collector ("Sonoma County"). Sonoma County shall be paid in
27 full together with statutory interest in amount to be determined, after costs of administration are
28 considered, no less than quarterly with the first distribution to be January 15, 2026, and

1 continuing on the fifteenth day of each quarter thereafter until no funds remain for distribution.

2 - Internal Revenue Service (“IRS”). Debtor is not aware that the IRS is entitled to
3 payment of any kind. However, to the extent a claim is owed, IRS shall be paid in full together
4 with statutory interest in amount to be determined, after costs of administration are considered,
5 no less than quarterly with the first distribution to be January 15, 2026, and continuing on the
6 fifteenth day of each quarter thereafter until no funds remain for distribution.

7 V

8 Summary and Implementation of the Plan

9 Debtor will employ Grafe Auction Co., as online auctioneer to evaluate and liquidate
10 Debtor’s equipment, trucks and automobiles on terms to be approved by the court. The
11 liquidation process is expected to take five to seven months. The sale will be “free and clear of
12 liens” pursuant to 11 USC § 363(f). The undisputed claims of Classes 1 - 10 will be paid in full
13 upon the sale of the equipment securing each of the claimants. After the payment of the
14 undisputed claims, Anvil’s disputed lien will attach to the sale proceeds, with the proceeds to
15 be held in an interest bearing trust account until Anvil’s rights in the sale proceeds has been
16 adjudicated. The sale proceeds and any recovery from the litigation against Anvil will be
17 distributed pro rata to the Allowed Unsecured Claim until no funds remain.

18 VII

19 Satisfaction of Claims and Interests

20 The Plan is intended to deal with all Claims against the Debtor of whatever character,
21 whether or not contingent or liquidated, and whether or not allowed by the Court. However,
22 only those Claims allowed will receive distributions under the Plan. All Creditors and other
23 parties in interest who have or assert Claims in any Class shall, upon Confirmation of the Plan,
24 be deemed to have acknowledged that their respective Claims are fully satisfied by the
25 distribution provided herein, each of which Claims, whether known or unknown, scheduled or
26 unscheduled, filed or unfiled, asserted or assertable, are declared and shall be, for all purposes,
27 upon the entry of the Order Confirming Plan, satisfied in full. All Impaired Classes of Claims
28 shall receive the distributions set forth in the Plan on account of, and in complete satisfaction

1 of, all such Allowed Claims. Without limiting the foregoing, on the Effective Date, each
2 Creditor shall be deemed to have waived, relinquished and released any and all of their rights,
3 Claims, other than as provided for in the Plan.

4 VIII

5 SUMMARY OF ASSETS AND LIABILITIES

6 Debtor scheduled \$72,575,650 in assets of which \$61,000,000 is the damage claim
7 against Anvil. Subtracting the damage claim from the total value of the assets, Debtor estimates
8 the value of the assets on the day was filed is \$11,000,000. This total has been reduced by the
9 assets that have been sold with the approval of court and the assets that were recovered and
10 liquidated by First Financial Holdings. The remaining equipment is scheduled in Exhibit A.

11 Debtor scheduled \$4,856,748 in claims secured by Debtor's assets, which has been
12 reduced as assets have been sold and the secured creditors paid.

13 Debtor scheduled \$16,241,974 in unsecured claims, \$5,000,000 or more of which are
14 disputed. Debtor will not know the exact total of unsecured claims until the bar date for filing
15 claims has passed.

16 VIII.

17 Alternative to the Plan

18 To arrive at a judgment on whether or not to vote for or against the Plan proposed by
19 the Debtor, a Creditor or other party in interest needs to have an understanding of the
20 consequences of what would happen if the Case was converted to Chapter 7.

21 Exhibit A is a detailed description of the equipment that is to be sold (creditor's may
22 also wish to review Debtor's Official Form 106 A/B to confirm the assets that are to be sold).
23 Debtor estimates value of the assets to be sold to be in the range of ten to twelve million dollars
24 (\$10,000,000 - to \$12,000,000). The actual value will be determined by the price received for
25 each sale. After the payment of the roughly four million (\$4,000,000) in claims secured by the
26 equipment (Classes 1- 10), several of which have been paid down by sales of equipment that
27 have been approved by the court or that will be approved, the balance of the sale proceeds will
28 be available to pay unsecured claims.

1 When a Chapter 11 is converted to Chapter 7 a trustee is appointed who is given the
2 task of liquidating assets that will, net of costs of sale and net of liens, allow for a meaningful
3 distribution to the unsecured creditors. What the debtor is proposing is not a good deal different
4 than what would occur in a Chapter 7 proceeding. However, Debtor is of the opinion that by
5 utilizing the services of Grafe Auction Co., at what appear to be very favorable terms, the
6 unsecured creditors should realize a better return with payment considerably sooner than in a
7 Chapter 7 case.

8 IX.

9 Executory Contracts and Unexpired Leases

10 Debtor has a month to month tenancy with the Richard and Cindy Kingsborough for the
11 property at 6263 Sebastopol Avenue, Santa Rosa that is used for the storage of the equipment.
12 The monthly rental is \$11,000. If the month to month tenancy is deemed to be an unexpired
13 lease, Debtor assumes the lease.

14 X.

15 Tax Consequences

16 There should not be any tax consequences to any class of creditors as a result of
17 confirmation of the plan except those creditors who receive a distribution that may have
18 previously written off the claim for tax purposes. As to those creditors there may be a
19 recognizable gain when the claim is paid. Creditors are urged to consult with their own tax
20 advisors.

21 XI.

22 1111(b) Election

23 An undersecured creditor may elect to have its claim treated as fully secured under
24 section 1111(b)(2), meaning that a creditor relinquishes the right to vote and to share in the
25 distribution as an unsecured creditor. However, a class of claims may not make such election if
26 (i) the interest on account of such claim of the holder of such claim in such property is of
27 inconsequential value or (ii) the holder of a claim has recourse against the Debtor on account of
28 such claim and such property is sold.

XII.

Conclusion

If Debtor's Plan is not confirmed and the case converted to chapter 7, Debtor believes there will be a delay in the liquidation of the equipment and a significant delay any distribution to creditors.
